CUSTOMER WORK REQUESTED TO BE DONE:

PARTS USED (FOR TECHNICIAN USE)

PLEASE READ AND SIGN:

STM requests you please pick up your vehicle as soon as possible after your service is completed and we contact you. We will charge a \$10 per day storage fee if the vehicle is not picked up after 2 business days. Any leftover parts not taken by the customer will be disposed of. 8% New York State Tax will be added to all in-house work.

Federal and many state laws prohibit the removal, modification or rendering inoperative any part that affects emissions on motor vehicles used on public roads. Many aftermarket parts and services are intended and designated for track and off-road use only. STM is not responsible for your decisions to modify a vehicle.

Customer certifies that the vehicle is insured and their own property.
